

The Future of Land Referencing

12,067

Trace IQ requests completed in the last 12 months

Over the last **5** years we have created:

1 A fully-functional in house Land Referencing Team- No more outsourcing!

2

A consistent format and standard of datasets

3

100% compatibility with Connect, meaning that all data is easily accessible across all areas of a scheme

100%

4 DCO Land Referencing schemes completed in the last 12 months

4

As a result of the above, efficiency in general has increased massively

At Dalcour Maclaren we're embracing the opportunity these extraordinary times have presented. It's business as usual - but re-energised like never before. Rise to the challenge. Engage with our energy and determination. And together let's shape a positive outcome from the crisis.
