

**SOUTHERN ELECTRIC POWER DISTRIBUTION PLC (THATCHAM, BERKSHIRE TO ASHFORD HILL, HAMPSHIRE CONNECTION)
COMPULSORY PURCHASE ORDER 2020**

The Electricity Act 1989

The Acquisition of Land Act 1981

Southern Electric Power Distribution Plc (in this order called “the acquiring authority”) makes the following order:

1. Subject to the provisions of this order, the acquiring authority is under section 10 of and paragraph 1 of Schedule 3 to the Electricity Act 1989 hereby authorised to purchase compulsorily the new rights in, on, under or over land described in paragraph 2 (“the Order Land”) for the purposes of the construction, use, maintenance and decommissioning of underground 132kV electricity cables, accesses and ancillary development to be installed between Thatcham Electricity Substation in the County of Berkshire and an existing electricity cable at Ashford Hill Compound Station in the County of Hampshire (“the Project”).
2. The new rights authorised to be purchased compulsorily in, on, under or over land under this order are described in the Schedule and the land in, on, under or over which such new rights are to be purchased compulsorily under this order is described in the Schedule and delineated and shown edged black and shaded blue on the maps prepared in duplicate, sealed with the common seal of the acquiring authority and marked “CPO Map 1 of 8 referred to in the Southern Electric Power Distribution Plc (Thatcham, Berkshire to Ashford Hill, Hampshire Connection) Compulsory Purchase Order 2020” to “CPO Map 8 of 8 referred to in the Southern Electric Power Distribution Plc (Thatcham, Berkshire to Ashford Hill, Hampshire Connection) Compulsory Purchase Order 2020”.

SCHEDULE

“the Cables” means underground cables (including wires, earth wires, fibre optic cables and other communication cables, pipes, coatings and ducts), connections, cable draw pits, cable joints, cable markers, cable terminals, earth bonding and tape, fibre-optic pits, drains, culverts, trenches, protective boards or tiles, jointing pits, manholes, monitoring equipment, apparatus, conductors, supports, plant, equipment, pillars and other underground or overground works associated with or ancillary to such cables.

“Cable rights” means rights in, on, over or under the Order Land necessary for the acquiring authority and all those authorised by the acquiring authority:

A	to lay, install (by trenching, horizontal directional drilling or otherwise), construct, use, inspect, maintain, protect, repair, relay, replace, renew, supplement, connect into, remove, divert, relocate, decommission and/or render unusable the Cables and to remain on and/or break up and excavate so much of the surface of the Order Land as is necessary from time to time for all proper purposes in connection with the Project;
B	to remove, fell, lop or cut in a proper manner all trees, bushes, hedges and shrubs on the Order Land which may if not felled, lopped or cut, damage, obstruct or interfere with the construction, maintenance or safe and efficient operation of the Cables;
C	to use the Order Land for the purposes of pedestrian and vehicular access and egress to the Order Land and over the Order Land in order to access onto adjoining Order Land (which shall include without limitation construction and maintenance traffic) and with plant, equipment and machinery and to park vehicles thereon for all proper purposes in connection with the Project;
D	to construct, improve, widen, repair, maintain, renew, take all necessary support for and rebuild existing and new accesses and associated or ancillary structures (including bridges and other crossings) on the Order Land in connection with the Project;
E	to temporarily divert watercourses and execute other works on watercourses in connection with the Project;
F	to install, maintain, replace, renew and remove cable marker posts to identify the location of the Cables on the Order Land (subject to an obligation to minimise interference with future use and operations);
G	to construct, relocate and/or divert any culvert and/or drain and all associated structures on the Order Land together with the right of drainage into any culvert and/or drain and subsequently to retain, use, inspect, maintain, decorate, repair, bridge over, replace and renew as necessary any culvert and/or drain on the Order Land in connection with the Project;
H	to install, execute, implement, retain, maintain, repair, renew, remove, replace and relocate (and to carry out all necessary reinstatement works in relation to) environmental and/or ecological measures, works and/or activities, and to carry out (and to carry out all necessary reinstatement works in relation to) archaeological, environmental, ecological, agricultural, contamination, soil, topographical and geotechnical surveys and

	investigations, including the taking and removal of soil samples and the sinking of boreholes and/or excavation of trial pits, and other like surveys and investigations;
I	to prevent the erection of and/or remove any structure on the Order Land and prevent and/or remove any alteration to the Order Land where that structure or alteration may cause damage to the Cables;
J	to prevent and/or remove anything on the Order Land (other than normal agricultural operations) whereby the support of or the cover of soil over the Cables shall be altered and/or any works which alter the surface level, ground cover or composition of the Order Land;
K	to prevent and/or remove anything on the Order Land which will or may damage, interfere with or obstruct the operation of the Cables, free access to the Cables, and/or make such access more difficult or expensive; and
L	to make good any damage caused in connection with the Project.

“Compound rights” means rights in, on, over or under the Order Land necessary for the acquiring authority and all those authorised by the acquiring authority:

M	to use the Order Land as a construction and maintenance compound, working area, laydown and parking area for all plant, equipment, materials and vehicles in connection with the construction of the Project (including providing means of access and the right to construct, improve, widen, repair, maintain, and take all necessary support for existing and new accesses) and for the construction, use and maintenance of temporary welfare and security buildings and thereafter the removal of the same;
N	to remove any structures or poles from the Order Land and to remove, fell, lop or cut in a proper manner all trees, bushes, hedges and shrubs from the Order Land and to prepare, take up and store soils and subsoils and lay membrane and hardstanding on the Order Land;
O	to place and use plant, machinery and other apparatus and temporary structures on the Order Land in connection with the Project;
P	to use the Order Land for the purposes of pedestrian and vehicular access and egress to the Order Land and over the Order Land in order to access onto adjoining Order Land (which shall include without limitation construction and maintenance traffic) and with plant, equipment and machinery and to park vehicles thereon for all proper purposes in connection with the Project;
Q	to erect, maintain and remove temporary fencing and temporary signage on the Order Land for site, public and personnel safety and to create secure works compounds on the Order Land; and

R	to make good any damage caused in connection with the Project.
---	--

“**Access rights**” means rights in, on, over or under the Order Land necessary for the acquiring authority and all those authorised by the acquiring authority:

S	to use the Order Land for the purposes of pedestrian and vehicular access and egress to the Order Land and over the Order Land in order to access onto adjoining Order Land (which shall include without limitation construction and maintenance traffic) and with plant, equipment and machinery and to park vehicles thereon for all proper purposes in connection with the Project;
T	to construct, improve, widen, repair, maintain, renew, take all necessary support for and rebuild existing and new accesses and associated or ancillary structures (including bridges and other crossings) on the Order Land in connection with the Project;
U	to construct, relocate and/or divert any culvert and/or drain and all associated structures on the Order Land together with the right of drainage into any culvert and/or drain and subsequently to retain, use, inspect, maintain, decorate, repair, bridge over, replace and renew as necessary any culvert and/or drain on the Order Land in connection with the Project;
V	to remove, fell, lop or cut in a proper manner all trees, bushes, hedges and shrubs from the Order Land and to clear and remove any and all vegetation from the Order Land which may damage, obstruct or interfere with the exercise of the Access rights;
W	to prevent and remove any works or use of the Order Land which may interfere with or obstruct such access or the exercise of the Access rights; and
X	to make good any damage caused in connection with the Project.
